CORRESPONDENCE

Dear Sir:- We arrived home safely and had a lovely day. Clarence met us at the depot. We met Grand Hamilton on the "J", and rode out to Oak Grove with him. Went over to Cottage Grove this morning with Margaret. Tell your mother that my dress is getting along alright also it is still pretty good. Margaret said leaving B. yesterday was just like leaving home, because we had such a lovely time. That's the way I felt too.
